Below you will find the dates we will be working at the Speed Zone this summer

September 20th - we will be doing push offs for the IRA Sprint cars

We have had an active summer.

In July: Working the WSORR races in Oshkosh was a great experience for the Bushwackers. We all had fun and enjoyed a close up of the races. We hope to have the opportunity to work with WSORR again next summer. Thank you Tom for this awesome opportunity!

In August: We did the pull-offs for the Demolition Derby during the Winnebago county fair. We had a good time here too; Tim did finally get over me running him over 2 times. The 2nd place winner in the midsize is one of Dawn's students on her bus. Alex Malouf is only 16 years old and doesn't even have her license yet. This was her first year in the demos but she has assured me she will be back next year and hopes to beat her aunt the second time around.

January 10, 2009 – We will be having our annual Christmas Party at the Comfort Suites at the Fox Fire in Waupaca, WI. We will again be doing a potluck dinner. Last year was a lot of fun! Hope everyone will be able to join us this year.

Highway Clean Up October 8th – Meet at Kobussen at 6pm.
